SIR,

Grant to Bhyraveswaraswami temple at Pagepalli.

I have the honor to state that the above temple is reported to be an ancient one built by Pallegars and commands a large number of devotees, both in and outside the State. An extent of 4-2 a.g. of land is said to have been newly granted, the income from which is inadequate to meet the Nityakatle charges. The devotees have spent more than Rs.1000/- for buildings etc. The Deputy Commissioner recommends that a grant of Rs.60/- per annum may be sanctioned either from General Muzrai Funds or from Chattram Savings Fund.

2. No fresh grant from either of the two sources is possible. The case can only be dealt with under G.O. No.1769-72/Muz.49-28-2 dated 1st March 1929 and the cash grant of some defunct institution transferred for its benefit. It is ascertained that the marginally noted two temples in Shimoga District have been declared as defunct and that the cash grant endowed to them are available for re-grant. I request that sanction of Government may kindly be obtained to transfer the grants of the defunct institutions referred to above for the benefit of Sri ~~Visveswaraswami~~ Bhyraveswaraswamy temple at Pagepalli with effect from 1934-35.

Letter No.Muz.12/34-35 dated 20th August 1934, from the Amildar, Bagepalli Taluk to the Deputy Commissioner, Kolar District.

In enclosing herein the petition presented by the Devotees of Sri Byraveswara Swami of Bagepalli, praying for the sanction of a cash grant of Rupees five per mensem to meet the expenses of Daily worship and Paditara of Sri Byraveswara swami, I beg to submit that this is a very ancient temple constructed by the Palegars of the place about 1000 years back on the bank of the river Chitravati. The Idol or deity inside the temple is not installed by Man but it is "ಉದ್ಭವ ಮೂರ್ತಿ".It was a very famous temple at the time of the Palegars but subsequently it has been very much neglected. This temple commands a large number of devotees residing not only in Bagepalli and other Taluks of the Mysore State but also outside the State, i.e.in Madras Presidency. Last year the deity was provided with Vajrangi, Nagabharana, Prabhavali etc. at a cost of six hundred Rupees contributed by the devotees of the temple. This year a kitchen has been constructed at a cost of Rs.400/-of which Rs.262 was paid by one Mr. Settipalli Byappa of Yellampalli village and the rest being contributed by free labour. A well close to the temple is also under construction at a cost of Rs.200/-. Now it has been arranged to install the -- Deities of Prasanna Parvathi,Ganapathi and Chandikeswara inside the temple and also gold enamalled Kalasam on the -- Sikharam of the temple and also to celebrate the Rathotsavam of the temple at a cost of about Rs.1000/-, all contributed by the devotees. One Mr.Gurukula Chinnappa Reddi, Sowcar of Nallapppareddi village has promised to construct stone Mantapams for the use of the devotees at a cost of Rs.1000/- close to the temple. The work will be commenced very shortly.

At present the temple has been given a piece of wet land measuring 4 acres 2 guntas with an assessment of Rs.27/-, for the pooja and maintenance of the temple. The income from the said land is quite inadequate and as such the pooja was being done once in a week, but owing to the large improvements effected to the temple as detailed above all the devotees are pressing for the daily worship. The Deputy Commissioner
